### ABOUT IP COMMUNICATIONS

Founded in 2001 and headquartered in Atlanta, Georgia, IP Communications is proud to be one of the very first service providers who's focus is the delivery of SIP delivered origination services.

### OUR MISSION IS YOUR SUCCESS

Our mission is to provide clear, fast and affordable voice communication services to our customers using Voice Over IP technology. Our quality and customer service comes first. Ultimately as we succeed in our mission, our customer's businesses also succeed.

### ABOUT IP COMMUNICATIONS

We have always operated under the premise that putting our customer's success before our own made good business sense. For almost ten years, this has been the key to our success. Our relationships with our customers has yielded long-term loyalty. Through our care and commitment to their business, we have built a reputation for quality and reliability. Today, our customers range from home-office start-ups to Fortune 500 enterprises. Our ability to cater to the individual needs of our customers, regardless of size, has proven to be a significant differentiator from our competitors.

IP Communications has developed one of the world's largest SIP Origination networks through strategic partnerships with leaders within the telecommunications industry. Our goal is to continue provide our customers leading-edge voice communications service while maintaining our commitment to quality and reliability.

### OUR COMMITMENT TO YOU

We believe that our customers are the motivation behind everything we do. Our commitment to your success is clear and evident in our endless devotion to your satisfaction. Our highly skilled employees are focused on exceeding the expectations of our customers by delivering the highest degree of customer service.

### OUR FUTURE

IP Communications has played a vital role in the growth and expansion of our customers' businesses. We will continue to fuel that growth by increasing our service areas and maintaining an relentless effort to enhance the technologies that offer our customers increased reliability, flexibility, and serviceability. Together, there are infinite possibilities.
